State: _____

City: _____

Zip: _____

Alarm panel must be permanently disabled to prevent future transmission of signals to WHIRC. Cancellation of monitoring agreement means that you have removed the account number and communication phone number from the panel. If the account is not disabled from transmitting signals, dealer is responsible for all costs and fees associated with continued monitoring of the account.

Cancellation Authorization

Signature by Dealer is confirmation that account is permanently disabled and will no longer transmit signals and WHIRC will no longer respond to signals.
