

# Financing ASSISTANCE

## Financing Options for Your Dealership

Our preferred partner for capital financing offers a seamless solution that's tailored specifically for alarm dealers—large or small. When you need capital for any reason (e.g., acquisition of another dealer, vehicle purchase, building projects, etc.), RMR Capital Group will provide capital through the purchase of your new or existing accounts. You'll continue to service the accounts and receive all service revenue as well as have the option to buy back the accounts at the conclusion of a prepaid option period (3-5 years).

RMR Capital Group is a trusted and reputable capital solution to help you accomplish objectives and goals, like:

- Growth initiatives
- Company acquisitions
- Generational transitions
- Partner buyouts
- Owner asset diversification...and more!

## Dealer Benefits

- Complete transparency to your customer
- No hidden fees
- Non-competitive capital program
- Retains 100% of service revenue
- Monitoring provider continuity
